

**ICMR– National Institute for Research in Environmental Health**  
Bhopal Bypass Road, Bhauri, Bhopal – 462 030, Madhya Pradesh, India  
(<https://nireh.icmr.org.in>)

**‘Online Training Program on Application of Biostatistics in Health Research’**  
(24-25 January, 2022)

**About the Institute:**

The ICMR set up its 31st permanent Research Centre "National Institute for Research in Environmental Health "at Bhopal on 11<sup>th</sup> October 2010 to focus on the issues of environmental health research aimed at becoming a Centre of excellence in capacity building for research and health interventions to meet challenges in environmental disasters in the country.

**About the Training:**

The Division of Biostatistics & Bioinformatics of the institute is organizing an online training program on application of biostatistics in health research. The training course will be conducted by online mode through Google Meet. Link will be sent to registered participants, the course can then be accessed at specified time using a desktop or laptop. Participatory approach will be adopted throughout the course comprising of:-

- Lecture Discussions:- Each session will be followed by discussion & interaction with the participants.
- Case Studies:- Sample case studies will be discussed.
- Problem solving exercises as assignments

**Eligibility:**

1. Masters’ students currently enrolled in Biostatistics/ Bioinformatics/ Health Statistics/ Statistics/ Environmental Science / Public Health / Community Medicine / Population Studies / Developmental Studies including M.B.B.S. interns.
2. Doctoral students currently enrolled in Biostatistics/ Bioinformatics/ Health Statistics/ Statistics/ Environmental Science / Public Health / Community Medicine / Population Studies / Developmental Studies.

**Seats:**

Only 50 (Fifty) candidates will be shortlisted for the training on the merit basis from previous academic marks with suitable proportion through each discipline.

**Application procedure:**

Applications should be submitted through Google form <https://forms.gle/z3hEepex7urQyeT49> along with the [Institutional I-card](#) as proof of current course and [previous academic mark-sheet](#) as merit for short listing (ready in .pdf / image format only, not more than 1 MB) submitted on or before 07.01.2022. Any other form of application will not be considered.

**Important instructions:**

- No Registration Fee.
- Currently enrolled students in P.G./Ph.D. & MBBS interns in the mentioned disciplines need to apply only.
- E-certificate will be provided to all the participants.

**Program Coordinator:**

Dr. Dharma Raj, (Scientist-B)

**Program Co-coordinator:**

Dr. Sindhuprava Rana, (Scientist-B)
