IN ENVIRONMENTAL HEALTH

ICMR - National Institute for Research in Environmental Health
(Dept. of Health Research, Ministry of Health and Family Welfare, Govt. of India)
NIREH Campus, Bypass Road, Bhauri, Bhopal - 462 030 (MP), India

2nd National Workshop on Flow Cytometry *(Thematic Focus: Cell Signaling in Health & Diseases)* **6th - 9th December 2022**

About ICMR-NIREH

ICMR-National Institute for Research in Environmental Health (NIREH) is one of the premier institutes of Indian Council of Medical Research (ICMR), a Government of India's apex autonomous organization for bio-medical research in the country. The major objective of the institute is to understand the mechanisms of chemical-induced injury through basic, clinical, translational and community research and to develop diagnostic and therapeutic tools.

Wet Lab Demonstrations

- Instrument Setup and Compensation
- Redox Signaling Pathway
- Mito-Nuclear Retrograde Signaling
- Toxicokinetic Measurements
- Immunophenotyping
- Nanocytometry

Eligibility & Application Procedure

- Post graduate students, doctoral and post doctoral researchers may apply in the prescribed format available at <https://nireh.icmr.org.in/>.
- A maximum of 50 participants will be enrolled for the workshop.
- Selected candidates will have to confirm their participation by submission of Course Fee, Rs. 2000/- (Non-Refundable).
- Limited number of in-house accommodation will be provided for outstation candidates on payment basis.
