CALL FOR APPLICATIONS: POST-GRADUATE DISSERTATION PROGRAMME (06 MONTHS)

ICMR-National Institute for Research in Environmental Health (NIREH), Bhopal offers six months dissertation training programme for students pursuing post-graduation in Bioengineering, Biotechnology, Biochemistry, Chemistry, Genetics, Immunology, Microbiology, Life and Environmental Sciences twice in a calendar year during January to June and July to December.

1. **Eligibility:** Students enrolled in masters' programme (M.Sc. and M.Tech.) in relevant subjects from any recognized university/institute/college are eligible to apply.
2. **Application:** Interested students may apply by filling the application form available at the NIREH website. The application link will be opened twice for batches January to June and July to December. Alternatively, the students are also encouraged to submit their applications through e-mail to concerned scientists in the prescribed format.
3. **Intake:** Number of students being admitted in a batch may vary depending on the available vacancies in a particular laboratory or division.
4. **Period:** 1st batch (January - June); 2nd batch (July - December)
5. **Selection:** Primary screening will be centralized and purely based on merit (academic credentials only). Previous laboratory exposure, soft skills such as writing capacity in English, communication skills, scientific data extraction *etc.* will be given due preferences. Upon selection, the candidate will be informed through e-mail. An undertaking along with a forwarding letter from the Head of the Institution/Department will be required to submit before the due date for confirmation.
6. **Fees:** A non-refundable fee, Rs. 18,000/- (Rupees Eighteen Thousand only) towards the cost of training in the form of a Demand Draft in favour of "Director, National Institute for Research in Environmental Health, Bhopal" will be applicable for all.

NOTE:

1. Disclosure of information to third party without prior approval of the supervisor shall not be permitted. All Intellectual Property arising from the project work will solely belong to ICMR-NIREH, Bhopal. The concerned student will be given due credit in publications/patents related to work carried out.
2. It is mandatory for the students to strictly follow the institutional norms and complete the desired duration of the training. Certificates will be issued only after submission of thesis and no violation/interim request either from the student or their host institute/universities/colleges will be entertained.
3. The students will not be entitled to the privileges accorded to the officials and staff members of the institute.
4. Students should make their own arrangements for accommodation, travel, and living expenses.
5. Dissertation training programme does not entail guarantee of any form of employment.
6. ICMR-NIREH accepts no responsibility for costs or fatality arising from illness or accidents incurred during the training programme; therefore, students have to take charge of their conduct, behaviour and health.
